Because there is a person who waits for you, because there is a person who remembers you.
I thought that was probably the reason why I wanted to go home to that place.

I have a secret Onii-chan
But, just a half -brother by blood
Yes, it's Nanako.
Good morning.
I'm okay now.
Sorry about yesterday.
Masanori san resembles my father a little
Yes, that sounds like fun.

~Love Kingdom~

Huh? Ah-this? It's kind of felt, it's cute isn't it?
What's with that
Having this secret is a waste, especially with such an amazing Onii-chan
Hey, Subaru
Masanori-san says he wants to go to the cultural festival next week.
Wrong- not that.
Huh?
I didn't tell you it was given to me by Masanori-san?
Subaru didn't tell Masanori-san..
I said since you didn't have one we'd go buy one.
I was asking why you have a cell phone.
Different than the color of mine
What are you doing Hey Subaru, give that back!

*Hitsuji (sheep) and Shitsuji (butler). They sound similar.
It's not sheep it's butler!!
Eh?
Isn't it sheep?
No it isn't
Well, the two of them, they escaped this place.
They carelessly got into a fight and this guy got his arm broken.
It's not really Subaru is it?
Daisuke, it's impossible for you to be a butler.
Ahahaha
Hahaha
sheep is okay! yeah a sheep
But it's too bad.
That you're Subaru's fiance.
Nana -chan is so cute.
Even though I really like you.
It really is too bad.

Aren't you interfering in everyone's dinner?
Yes
Daisuke
Ah, I'm in Subaru's class so I'll see you again.
I can't believe this is the Sasaki family
Yeah, interesting but he's just an idiot.
He reflects an idiot, doesn't he?
He— He's an interesting person, isn't he?
Subaru thinks he reflects it.
That's—
He's in the same class as Subaru, that means he's in the same class as me, right?
Y...Yeah.

That guy is no good.
He said I was cute.
He's Subaru's childhood friend, huh—

Ah...
I'm sorry Subaru, for that...
Even though he was just worried about me...
I'm sorry.

Somehow...
I probably don't have the confidence to go on a date
Manga Class

Subaru, Nana-chan!!
Huh?
Subaru is in the student council, right? Did those guys gather?
Huh?
It's okay I don't really want to go
Is it okay?
Is that so?
Then why don't you help with the class fair?
That's a bother so I don't want to.
The machine rental has already been taken care of.
but a lot of people can't go on that day
I didn't ask.
Like making the tako-yaki.
and like how to use the machine for the Watame
Even if they remember then their hands are full of something else
Can I do the Tako yaki or the Watame?
Can I help?
Eh? Can you do it?
Yep I did it at the local festival every year.
I pretty much know
Perhaps you know the tools and ingredients?
No way!

Then
then it's a date tomorrow.
Huh!?
The people from the class are going shoppig.
If you really know the details of the tools and stuff it'll really help out
I can't, tomorrow is the date!!
Um
You've already decided on what day to go shopping?
Yep,
it's because the culture festival is close
But...
Hey, Subaru, about tomo -rrow
I said I would help out but of course
If Nanako wants to go..
It's nothing much.. if you want to go.

What?
What's wrong with Subaru? Is he in a bad mood?
.....
It seems like he's let go of my hand
Recently...
...it looks like tomorrow is fine.
Eh? Great!
Subaru, have you already decided you don't want to go on a date with me, I wonder.
!
Oh...
Huh?
Then what about the date?

Saikyo Hands
Eh hen
Narimya-san I actually wanted to talk to you about something.
Huh?
He doesn't hate me does he?
Ah, it's kind of like Cinderella story with fiances, I guess.
He's difficult to talk to.
You're always together with "Subaru -sama"
Narimya-san I thought you were one of those people
We got closer today, I'm glad Let's do our best on the day of the culture festival ^^
Yeah, I'll try my best.
It's good that we finished shopping quickly.
It really is different with someone who's had experience with this.
Right?
I'm the one who invited Nana-chan?

Yeah
And then the blue mats increase.
A, ha hah
What kind of a punishment game is that?
Eh-I don't want to.
What?
I was thinking it was good that I was chosen to go "shopping"
I was able to talk with every -one
All thanks to Daisuke -kun.
Huh?
Did something happen today?
Ah...

I had plans to go out with Subaru...
.....
But it's okay now.
It's okay...
Ah... Somehow
Subaru ...
He didn't even wake up this morning, it seems like he probably didn't want to go
UWAH, THAT'S AHHH!!
!!
Hey, Daisuke-kun
COULD IT BE THAT YOU WERE TALKING ABOUT A DATE IN THE CLASSROOM!?
No... that's
THAT'S BAD AHHH!
Talking about a date... that's...
Uwah
Yeah

It seems like he changed his mind or something
Subaru goes on a whim a lot?
I was able to become friends with all of you
So it's okay, it's okay
...But...
Nana-chan, did you want to go together?
It seems like I could cry...
Probably...

Wah!
I'm sorry Nana-chan!
Sasai, is she crying?
No, look.
Ah... Subaru isn't here but...I-I'm here too...
Nana-chan, if it's okay...
But...
!!
Uh

I thought of different things
Also things I couldn't say very well...
Manga Abyss

I was really looking forward to it.

You're used to it.
I'm not used to it.
I really am pissed!!
Con-certed stuff like that, aren't you used to it?
Saying stuff like you're Cute...
Subaru

Grab

I always want Subaru to be next to my side

Because I like
Nanako.
Manga Boss
